## ABOUT US

The NGO Management Association (NMA) is a non-profit association founded in 2001 and registered in Geneva, Switzerland.

Our aim is to provide tools, training and consultancy for NGOs to enhance their management capacity and performance.

NGO Management School (NMS) is a department within NMA. NMS has delivered public and in-house courses for development and humanitarian organisations in English, French and Arabic in more than 20 countries in Europe, Asia, the Middle East and Africa, including at university level.

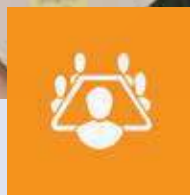

*"Excellent course! It was both useful and fun to meet knowledgeable trainers with lots of practical experience"*

## ADVISORY SERVICES

NMA's management and technical advisors offer services ranging from diagnosing organisational and programmatic opportunities and challenges to identifying and framing strategic options. NMA advisors assist in planning and managing the implementation of organisational changes.

## TRAINING

Courses of NMA's NGO Management School are centered on action-learning with real-life examples and case studies.

This includes a comprehensive approach based on needs assessments and post-course coaching. Trainers share their own extensive field experience and insight and facilitate the exchange of ideas and experiences among participants.

## ONLINE TRAINING

NMA's online courses offer fascinating new opportunities to acquire knowledge and skills through a high level of interaction and exchanges among participants and the trainers, with individual feedback and coaching from the trainers.

Online training will be available in 2016.
